

Simtra BioPharma Solutions Appoints Dr. Mike Schäfers as Chief Commercial Officer

Parsippany, NJ, September 3, 2024 – Simtra BioPharma Solutions, a leading contract development and manufacturing organization (CDMO) specializing in sterile injectables, is pleased to announce the appointment of Dr. Mike Schäfers, Ph.D., as Chief Commercial Officer and Head of Business Development. In this role, Dr. Schäfers will oversee global commercial operations, driving business growth, enhancing customer relationships, and leading the company’s market expansion efforts.

Dr. Schäfers brings extensive experience from leadership roles at LTS Lohmann Therapie-Systeme AG, Aenova Holding GmbH, and West Pharmaceutical Services. At LTS, Dr. Schäfers served as Chief Commercial Officer and managed a global team across Germany, the U.S., and China. Throughout his career, he has successfully developed strategies that significantly contributed to business growth, managed business collaborations as well as partnerships and led key acquisitions and integration activities.

“Dr. Mike Schäfers has a unique blend of strategic insight and hands-on operational expertise,” said Franco Negron, CEO of Simtra BioPharma Solutions. “Mike understands the complexities of our industry and will be a key driver in our efforts to enhance our market presence and deliver exceptional value to our clients.”

“I am thrilled to join Simtra BioPharma Solutions at such an exciting time in the company’s growth,” said Dr. Mike Schäfers. “I look forward to working with the talented team here to continue building on Simtra’s success and to contribute to the company’s ongoing mission of excellence in the CDMO space.”

Holding a Ph.D. in Inorganic Chemistry from Ruhr University Bochum, Dr. Schäfers has also completed executive leadership programs and is an active member of industry associations.
